Student Medical Insurance Policy

Policy Purpose

To provide medical insurance coverage for all bonafide students who meet the eligibility criteria in partnership with Bajaj Allianz Life Insurance Co. Ltd., to ensure that students are financially protected in case of health emergencies during their academic tenure with the university.

Eligibility criteria

- All bonafide students with the following criteria are eligible for medical insurance coverage under the University Medical Insurance Policy:
- The student must be a regular bonafide student at the University.
- The student must have paid all tuition and other fees required for the academic year. The coverage is depending upon the successful payment and have no outstanding finances with the University for that academic year.

Coverage duration

- The medical insurance coverage will start from the first day of the academic year and end on the last day of the academic year.
- The insurance coverage is renewed annually for every academic year depending on the student financial dues and status.

Procedure for the medical insurance coverage

- The students can avail themselves of medical services under the insurance coverage with Bajaj Allianz Life Insurance Co. Ltd, network of hospitals.
- Students requiring medical treatment under the insurance policy must present their student ID at the networked facility.
- The student will not be required to pay upfront if the medical support is received from the networked facility, except for any not covered services.
- The student can avail the medical support from the preferred hospital on payment and further submit the bills for claim.

Termination of Coverage

The medical insurance coverage will be terminated under the following conditions

- Student who is withdrawn/discontinued, taken a break for a semester will not be covered by the medical insurance.
- Student who fails to pay tuition fee and any other fines which is generated for the academic year or semester the medical insurance coverage will be suspended until all dues are paid.

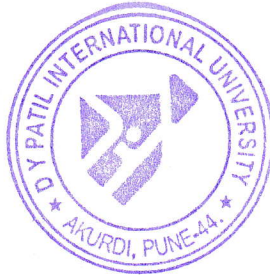

- The medical insurance coverage will terminate for the graduates or the graduating students.

Complimentary benefits

- The University students are covered in the medical insurance as complimentary benefit.

Changes to Policy

- The University have right to amend or modify the terms of this medical insurance policy at any time. Any changes will be communicated to students.
